

هاري انترناشيونال لصناعة المبدلات الحرارية ذ.م.م.
HARRY INTERNATIONAL HEAT TRANSFER INDUSTRY LLC

Company Profile

Harry International Group of Companies is established by Mr. Rajiv Bahal- Managing Director. He has engineering background and 20 years of vast experience in business. We import and export from the various countries like USA, Europe, Middle East, Africa and Far East.

The technical staff like technicians, labourers, etc., is well experienced and trained.

Manufacturing Division

Condenser Coils, Evaporator Coils
Shell & Tube Heat Exchanger
A/C Chillers Cooling System
Fan Coil Unit / Condensing Unit / AHU Units
Oil Cooler / Fin Tube Cooler / Radiator

Installation Division

FCU Unit / Package Unit
Split Unit / Chiller Unit
Chilled Water Piping
Ducting Work / Cladding Work
DX Copper Piping
Condensor Coil / Evaporator Coils

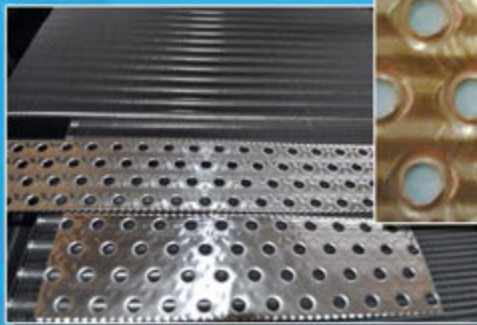

Service Division

Replacement of condenser coil and evaporator coils. Maintenance, Installation and re-conditioning of HVAC Units. Overhauling of compressor like Screw, Reciprocating etc. Re-winding of Motor and Compressor stator. Marine Heat Exchanger Re-tubing and leak repairing of shell & tube Heat Exchanger. Chemical Cleaning and High pressure cleaning of Heat Exchanger. Protective Coating on Coils

Copper Fin

Aluminium Fin

Fin Making M/C

Coil Assembly

Tube Expander M/C

Brazing Operation

Pressure Testing

Hair Pin Making

Copper Stock

Protective Coating

Evaporative Condenser

Evaporative Condenser

Chiller Installation

Chiller Unit

Ducting Work

Heat Exchanger

Tube Plug Work

Expansion Work

Water Cooling & Heating System
